I am in direct context with the Serbian author of that video.

His videos are excellent.

Here is his written advice to us:

“What we have done, and what you probably need to do:

- Peaceful protests, good, well played round 1
- A complete civil disobedience, they are not your representatives. They are FOREIGN puppet government.

- Connect with the local police and start organize by neighborhoods to stay safe (we didn't need this step)
  - We swarmed the streets and started confronting the opponents. I know, not nice, but it must be done if the institutions stop to exist

- Millions gathered in our capital. There were no barricades strong enough to stop them, nor the police determined enough to stop them
- Police and Military aligned with the people after few hours of fist-fight
  - We stormed the Parliament

And burned down fake state Television!

WE WON!

However, we made a mistake. We have not removed ALL of his people from their positions.

That was the only mistake.

They are going to fight to the end, you  
must do the same.

Take that glorious flag from the chest. That  
old flag your ancestors flew while fighting  
for liberty.

Kiss your old Garand, and your Bible.

You have it in your genes.

Make your grand-parents proud, and make  
your future grandsons proud.

Meant direct CONTACT.

The man is right. We need to march on DC right now, so President Trump knows he has our support as those around him whisper in his ear that it's no use and he should give up.

And we need to pressure the GOP Congress-critters to have his back and not give in either. Direct pressure. Positive pressure.

And standing up to the communists in the streets.

Watch Georgia.

The answer must be to refuse to accept, acknowledge, respect, or obey any of these imposters or their pretend legislation.

.... and get your gear squared away and ready to fight.

What's the plan? We need to roll. ASAP.

I'm on my way to DC right now, with my Oath Keepers tactical leaders for a possible DC op, to do a leaders recon and make plans.

I'm available to meet face to face.
